We, at Rinac, begin with seamless solutions for cold chain and modular construction. Soon, a relationship develops, empowered by our domain expertise, service excellence, and customising capabilities. As the bond deepens, you will discover that we invest in curiosity, innovation, and ingenuity; constantly questioning perfection, and leveraging our resources to nurture each relationship into a win-win proposition. What's more - warm, pro-active support is always just a call away through RinaCare, our dedicated relationship service group.

For about a decade and half, Rinac has been the chosen partner for industry leaders, providing an unrivalled range of solutions and superior value. But that's just the tip of the iceberg.

NEW GENERATION MODULAR STORAGE-CUM-DISPLAY CABINET

- WORLD CLASS AESTHETICS AND QUALITY •EASE OF TRANSPORT AND ASSEMBLY
- EASY MAINTENANCE •VERY LOW OPERATING COST •DISPLAY -CUM-STORAGE OF GOODS

CR/032012/R2

Rinac's popular range of modular step-in cold rooms re-designed making them more versatile and user friendly than ever before. It provides optimal options for storing food in hotels, restaurants, catering services, supermarkets and industrial kitchens, among others.

Well-conceived design for small restaurants, fast-food outlets, food shops turned our product highly functional product supported by the best service available. With emphasis on low energy consumption, We designed and produced our own refrigeration units for quiet operations. The unit is complete with all controls, air defrosting and are subject to rigorous testing before shipment.
